Please read the following information carefully:

- * **Forms should be completed no later than 72 hours prior to your visit.**
- * Should you have minor changes---someone can't make it, then leave their number like it is, we will skip over them---someone is added, just email us that information and we will put them on an add- on form, no problem!
- * Please enable Macros when the file opens in Excel.
- * Please note the tabs on the bottom to see the forms required. There are 3 sheets to this Excel file---Instruction--Alpine Ski Preset--Snowboard Preset
- * **Fill out forms completely.** Each box must have accurate information, including age, to ensure the equipment is set properly to each person. Please leave the **"office use only"** space blank. (Failing to do so may hinder your groups rentals to be preset)
